KEY WORDS compass point · north · clockwise · anticlockwise · turn · grid reference

A Compass points ●○○

Remember: The four main points are north, east, south and west. Halfway between them are north-east, south-east, south-west and north-west. Clockwise is the way the hands of a clock turn.

1. Which way do you face after each turn?

a) You face north and turn 90° clockwise. _____

b) You face east and turn 180° clockwise. _____

c) You face south and turn 90° anticlockwise. _____

d) You face west and turn 90° clockwise. _____

e) You face north and turn 180° anticlockwise. _____

f) You face east and turn 90° anticlockwise. _____

2. Write the direction that is opposite to each of these.

a) North _____ **b)** East _____ **c)** South-west _____ **d)** North-east _____

B Compass directions and angles ●●○

Remember: There are 45° between one compass point and the next. A quarter turn is 90°, a half turn is 180° and a full turn is 360°.

3. What angle do you turn through, clockwise?

a) From north to east _____ **b)** From north to north-east _____

c) From east to west _____ **d)** From north to south-east _____

e) From south to west _____ **f)** From west to north _____

4. Which way do you face after each turn?

a) You face north and turn 45° clockwise. _____

b) You face east and turn 135° clockwise. _____

c) You face south-east and turn 90° anticlockwise. _____

d) You face south-west and turn 45° anticlockwise. _____

C Positions and pathways on a grid ●●●

Remember: A grid reference names a square: the letter first (across), then the number (up). North is at the top of the map.

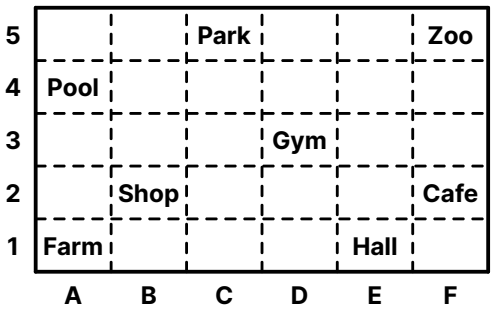

5. Use the map. Write the grid reference of each place.

a) The gym _____

b) The pool _____

c) The zoo _____

d) The farm _____

6. Which place is in each square?

a) Square C5 _____ **b)** Square B2 _____

c) Square E1 _____ **d)** Square F2 _____

7. Which compass direction do you travel in?

a) From the farm to the pool _____ **b)** From the park to the zoo _____

c) From the gym to the zoo _____ **d)** From the cafe to the hall _____

8. Follow each set of directions on the map.

a) Start at the shop. Go 2 squares east and then 1 square north. Where are you? _____

b) Start at the zoo. Go 3 squares west. Where are you? _____

c) Start at the farm. Go 3 squares north. Where are you? _____

d) Start at the cafe. Go 1 square west and then 1 square south. Where are you? _____

★ Extension

9. You face north. You turn 90° clockwise, then 180°, then 45° anticlockwise. Which way do you face now?

10. Write directions to get from the farm to the zoo on the map, using squares and compass points.
